Schools for Syria

what better gift can there be but education

Fr William Stuart from Dublin is currently based in South Lebanon where he runs a school for young refugee Syrian children who have fled their war torn country and he desperately needs funds to keep the school open especially now during these very challenging times.

Hibernia Medical are delighted to help the children in the run up to Christmas. All our Christmas Themed Face Masks sales will go to raise vital funds for schools for Syria.

Please help support this worthy cause by ordering online at
www.hiberniamedical.ie/christmasmasks
Alternatively call: 01 866 5727

All proceeds go to schools for Syria
