

Beijing Lepu Medical Technology Co., Ltd.

LETTER OF DECLARATION

To whom it may concern,

We, Beijing Lepu Medical Technology Co., Ltd, the legal manufacturer of SARS-CoV-2 Antigen Rapid Test Kit (Colloidal Gold Immunochromatography) and 2019-nCoV Antigen Rapid Test Kit (Colloidal Gold Immunochromatography), hereby confirm that we have received related approvals in Europe and sold over millions tests of antigen rapid test kits to Europe so far. Top sell countries are Austria, Germany, etc.

In January 2021, Austrian Federal Ministry of Education, Science and Research published public guidance for national-wide COVID-2019 tests in all schools. From school opening to the semester holidays, all schools in Austria will be provided with millions of antigen tests for students. Beijing Lepu Medical Technology Co., Ltd. was one of the suppliers.

In March 2021, Lepu antigen test kit was granted special approval by the German Federal Institute for Drugs and Medical Devices (BfArM) for self-testing in Germany.

In June 2021, Lepu Medical has received CE Certificate for its SARS-CoV-2 Antigen Rapid Test Kits for Self-testing (Colloidal Gold Immunochromatography). Certificate Type: IVDD Annex IV.3.

Lepu Medical will continue to leverage its technologies and robust portfolio of products and services to further help COVID-19 prevention and control worldwide.
